Dear Parents,

This letter is to inform you that after a lengthy interview process, the Board of Education has officially hired Ms. Danielle Pichette for the Math 6/Math 7 position. Ms. Pichette is a graduate of the Edison Township Public School system and an Edison resident. She is a recent graduate of Kean University and has completed her student teaching in Woodbridge Township. Please join me in welcoming Ms. Pichette to the WWMS family.

It is our desire that it will be a smooth, seamless transition. We thank Mrs. Kristine Fortino, Ms. Melanie Felipe, Mrs. Lisa Columbus, Ms. Abha Patel and Ms. Cindy Lin, current WWMS math teachers, for teaching our students for the last few months to ensure that there are no gaps in their math instruction. In addition to the WWMS Math Teachers, the entire WWMS staff and administration will work together with Ms. Pichette to assist our students with this transition in any way possible.

Ms. Pichette is excited to join the Woodrow Wilson family. We are confident that the students will enjoy learning with her.

If you have any questions, please feel free to contact me at any time.

Sincerely,

Mrs. Jennifer Blevins

"Reach for the Stars"
