Dear Woodrow Wilson School:

I hope you and your families are well. I wanted to inform you of a staffing change at Woodrow Wilson Middle School. Recently, I received and have accepted the resignation of math educator, Mrs. Melissa Chinchar.

With her departure, the selection process has begun with the posting of the math position and I am focused on selecting the right math teacher for WWMS. In the meantime, our current team of math educators have graciously accepted to teach an extra math class. I am confident that WWMS will continue to prepare our students while monitoring a seamless transition.

In the coming weeks, I will provide you with regular updates as to where we are in the process. Please see the new schedule below:

Period 1: Ms. Cindy Lin

Period 4: Ms. Lisa Columbus

Period 5: Ms. Melanie Felipe

Period 6: Ms. Kristine Fortino

Period 7: Ms. Abha Patel

Sincerely,

Mrs. Jennifer Blevins
